On March 4, 2015, IIWR-MB and IIWR- Global College hosted a panel at the University of Winnipeg on issues affecting children in care in Manitoba. Approximately 80 people attended and learned from, listened and asked questions to our exceptional panelists, who shared their various experiences and expertise: Ainsley Krone (Office of the Children's Advocate), Prof. Sarah Lugtig (Faculty of Law, University of Manitoba), Kelly Gossefeld (Island Lake First Nation Family Services) and Dylan Cohen and Jenna "Liiciicious" Wirch. A huge thank you to the panelists for donating your time and being so forthcoming with your stories.
