WHO WE ARE

The Institute for International Women's Rights – Manitoba, Inc. is a relatively new organization, yet builds on the history and work of previous community groups, like UNIFEM and UN Women (Winnipeg Chapter), that worked to support women's equality and women's rights, locally and globally. Based in Winnipeg, Manitoba, IIWR-MB is founded to generate education, awareness, and action to promote women's human rights.

IIWR-MB is a community focused organization, reaching out to diverse individuals and organizations in Manitoba that are working in the general area of women's rights. We are incorporated as a not for profit organization in the Province of Manitoba.

WHAT WE DO

In July, 2016, we received the designation of Special Consultative Status with the Economic and Social Council of the United Nations. This means we are able to send a delegation of members to the Commission on the Status of Women conference that is held every year in New York City. There, we have presented on topics surrounding the injustices that the women in our communities continue to face.

IIWR-MB will host a few special events every year in Winnipeg to promote gender equality and human rights education. These events range from International Women's Day celebrations to our Local to Global fundraiser.
